*Join us for Waterton's 17<sup>th</sup> Annual*

# Knapweed Rodeo

*Help us round up this noxious weed in Waterton Lakes National Park!*

**JULY 23 & 24 (Fri & Sat)**

***BE A KNAPWEED RODEO HAND!***

- **No experience necessary – just a desire to help pick and bag knapweed**
- **Work with the Park Restoration Crew**
- **Sign up (in advance) & get FREE day entry into Waterton Lakes National Park**
- **Volunteer for a 1/2 day shift (or longer!)**
- **Families welcome!**
- **PRIZES for Rodeo events**

Knapweed is an invasive plant that can take over native landscapes by releasing toxins from its roots and producing thousands of seeds. By pulling knapweed before it releases its seeds, we hope to keep this weed in check!
